A group of our Ecuadorian students registered in the Cave Hill component of the Enseña Inglés Caribe 2015 (Teach English Caribbean (TEC) 2015) programme. The programme started in November 2015 with 129 students, fifty of whom are located at Cave Hill. The Campus has overall responsibility for the academic quality of the TEC programme, which is also being delivered at the Saint Vincent and the Grenadines Community College (SVGCC) and the Dominica State College (DSC).
The University of the West Indies
MISSION STATEMENT

To advance education and create knowledge through excellence in teaching, research, innovation, public service, intellectual leadership and outreach in order to support the inclusive (social, economic, political, cultural, environmental) development of the Caribbean region and beyond.
